Lily's email on this reminded me, the location that Mr. Smith called out is NOT on Parcel A, rather would be UC Parcels.

Hi Lily,

In response to your voicemail regarding the locations Mr. Anthony Smith discussed during our site walk, I attached the map that we asked him to draw the locations on. We did a site walk with Mr. Smith to ground truth the map. The one location on Parcel A was immediately adjacent to the Fisher Avenue/Spear Avenue intersection : an area being redeveloped. It was located down the hill.

Please let me know if you have any questions.

Thanks, Derek
